SPRING 2020 ARRIVALS

March 2020

Dear Model Railroader,

Welcome to the Atlas Spring 2020 Arrivals Catalog that highlights the latest locomotives, rolling stock, track & accessories arriving at Atlas Authorized Dealers. The vast array of products that have recently arrived or are imminently arriving in all scales will be sure to cure any case of cabin fever that you may be suffering. Among them are the N Trainman® GP30 and HO Master SD35 locomotives, HO and N containers and covered hoppers, as well as the eagerly anticipated HO Gunderson® Multi-Max™ Auto Racks. O scalers can roll right on into Spring with the arrivals of the 1973 Ford® F-100 Pickup Trucks, Cararama vehicles and In Stock Coca-Cola® branded die-cast vehicles.

Though these items are no longer available for guaranteed pre-order - they are available from authorized Atlas hobby shops. If you need assistance finding a dealer near you, please check out our Hobby Store Locator! Check out the locator at <http://shop.atlasrr.com/storeLocator.aspx>. You can also view products and shop at the Atlas Online Store. Our updated online store makes it easy to accurately identify the inventory status of each and every Atlas product. The Stock Status indicator reflects the product status of a listed item at any given time - in-stock, pre-order, backorder, or sold-out.

Here at Atlas, we have an unwavering dedication to prototypical authenticity. Unless otherwise noted, every paint scheme that appears on a model we produce has been carefully researched and recreated to look exactly as it did on the prototype. The models featured in this Arrivals catalog are no different! They say that a picture is worth a thousand words, so please enjoy the model photos that are included, which help to show the authenticity and painstaking detail present on every Atlas model.

If you haven't already, please sign up for our email newsletter – the Atlas Insider - at <https://shop.atlasrr.com/t-emailsignup.aspx>. Doing so will ensure that you never miss out on special offers, news or our All Scales Monthly Catalog, featuring each month's announcements, arrivals and more!

Sincerely,

Joe Kolnoski
