September 2022

New Products, News,

and Information...

Made & Assembled Entirely in the U.S.A.

I realize it has been only a couple weeks since our August release but we need to get back on schedule. So don't forget about our August 2022 Patriotic Car release.

We have been getting a lot of positive feed back on this design, with the Statue of Liberty and the Constitution of the United States on the side of the car.

I feel the artwork represents the strong American spirit that we all share in one way or another that everyone should be able relate to, if you leave politics aside.
