Oggetto: [Scalescenesnews] Scalescenes Lifeboat kit now available!

[T040a Lifeboat](#) now available! Only £8.25

This accurately proportioned model of a 52ft Barnett Class lifeboat will create a real focal point for your harbour scene. The kit includes:

- Editable boat name
- Waterline and full hull version
- Simple to use handrail and lifeline creation jig
- Detailed deck fittings
- Choice of grey or orange roof
- Open wheelhouse door option
- Detailed hull underside including propeller and rudder
- Illustrated instructions including masts and masthead lighting guide

Available in OO and N scales.

T040b Lifeboat Station kit with slipway coming soon!

If you are considering a wharf or harbour scene for your layout or just enjoy building model boats, then why not check out my growing range of Dockscenes kits:

Scalescenes Modellers Group

If you are on Facebook, have you considered joining the [Scalescenes Modellers Group](#) yet? We now have nearly 10,000 members sharing tips, advice and images of their Scalescenes modelling projects or asking other modellers questions. All skill levels, 'work in progress' images and scratch-built models are very welcome.

Happy modelling...

Kind regards

John
