# THE SCENIC VIEW

NEWS FROM WOODLAND SCENICS®

SEPTEMBER 2017 • ISSUE #31

## Grillin' & Chillin' Trailer - Now Available

### Start your model trailer park today!

The Grillin' & Chillin' Trailer is now available in N, HO, and O scales.

Just take a seat in one of the chairs on the deck and relax in the shade while the food cooks. This trailer is perfect for grilling and chilling on hot summer days.

The Grillin' & Chillin' Trailer features a large front deck with an awning, trashcan, a TV antenna for entertainment on rainy days, and it even has a window A/C unit for beating the summer heat.

This building comes with a printed interior and pre-installed LED lighting made for use with the Just Plug Lighting System.

## Double Decker Trailer - Coming Soon

### Start your model trailer park today!

Coming soon to the line of Built-&-Ready Landmark Structures is the Double Decker Trailer, available in N, HO, and O scales.

Whether you're having lunch outside or watching late-night TV, the Double Decker Trailer is perfect for taking your layout to the next level.

Building details include a window A/C unit, multiple doors and windows, cinder blocks, TV antenna and a trailer hitch. This multi-level trailer also features an unattached picnic table, trashcan and propane tank for custom placement. HO and O scale buildings feature a flickering TV.

☒ This building comes with a printed interior and pre-installed LED lighting made for use with the Just Plug Lighting System.

## LandESCAPES - Coming Soon

Coming soon to [Scene-A-Rama®](#): Introduce kids to the fun of modeling and diorama building with [LandESCAPES™ Diorama Kits](#). In one scene, a pterodactyl soars over the ridge and watches while hungry herbivores feast on vegetation like vines, bushes and trees. Another scene shows debris after some unlucky fishermen were caught in a storm. LandESCAPES are perfect for a fast, easy and fun project for kids who want to build a world from their imagination and tell their own story.

[\*\*Dinosaur Ridge - SP4261\*\*](#)

### **Shipwrecked - SP4260**

LandESCAPES kits are full of materials that will whisk them away to the land of dinosaurs or a deserted island. Each kit comes with easy to follow instructions to ensure success and realism. There are multiple colors and textures of landscaping materials, and special details like dinosaurs or the remnants of a boat are included to bring the scene to life.

Name	Item #	MSRP
<u>Dinosaur Ridge</u>	<u>SP4261</u>	<u>\$24.99</u>
<u>Shipwrecked</u>	<u>SP4260</u>	<u>\$24.99</u>

For more information about the LandESCAPES and other Scene-A-Rama products, please call 573-346-5555 or email our [Sales](#) department.
