ON THE COVER

Showcase your modeling talents - and win cash prizes - in Walther's National Model Railroad Build-Off 2020! Everyone can join, and whether you're a "lone-wolf," a team player, a kid or a kid-at-heart, there's a category for you! From contemporary to classic, we've put together 12 unique packages (three for each category and each a great value!) of HO Cornerstone structures and accessories to get started, and you or your team supply the creative energy that transforms them into a detailed layout scene or diorama. One talented winner will be selected from each category and announced LIVE at the NMRA National Train Show in St. Louis, Missouri. Get your entry on track now at walthers.com!

Test-Drive One Today!

Say, have ya driven downtown yet this week? Oh man, we have got to take a spin past the Ford® dealership tonight after work! You know, this old buggy isn't getting any younger and that funny noise keeps coming back.... Now I know they just got in more of the newest models... saw 'em unloading down at the team track a couple of days ago... and are they pretty! Big city to small town, the local Ford dealer was a focal point of the business district for decades, and now it can be part of your HO community with Cornerstone®! Based on dealerships that were built new or remodeled in the 1930s as streamlining became popular, many are still going strong today. With authentic styling that includes a fancy showroom facing the street and a plain brick service bay out back, it will be the centerpiece of your Main Street. Hop in and head over to page 16 for a look at this new kit now!

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
