NEXT STOP - WINNER'S CIRCLE!

The Walthers National Model Railroad Build-Off is a competition to create a unique scene or diorama using common elements found in pre-selected product bundles and additional elements chosen by you. You asked for it, so we've changed things up a bit for our 3rd annual contest, and added N Scale to the categories! By increasing the scope of the contest, we're hoping to see some great contributions from all you N Scalers out there! Additionally, we've eliminated the separation between individual and team. We've kept our OPEN class category (now called FREESTYLE) which has no age restriction, and the various scales compete against each other.

Three entrants from each category will be selected as prize winners. In addition, all finalists are eligible to compete in the People's Choice Award with one winner determined by the overall number of votes received via social media.

**ALL ENTRIES DUE
JULY 1, 2022.**

**WINNERS ANNOUNCED
AUGUST, 2022.**

A Note on Availability

At Walther's, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walters.com, email us at custserv@walters.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walther's and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
